

Yale Forklift Parts

Yale Forklift Part - Yale Materials Handling Corporation is a worldwide association that's part of the NACCO Materials Handling Group or otherwise known as NMHG. NAACO Materials Handling Group is the largest manufacturer of lift trucks in the United States of America. They have \$1.5 billion in revenues, making them the third biggest all over the world. NMHG designs, engineers, manufactures and sells a whole series of lift trucks under the Yale brand. The forklifts are made in USA, the Netherlands, the UK, Mexico, Ireland, Scotland, Brazil, Italy and Japan. The retail sales of forklifts and replacement parts are serviced, sold and supported by Yale licensed sellers.

Yale stands by their commitment in being the best within the material handling industry. They proudly provide way more than the most complete collection of forklifts. Each and every one of their forklifts include the help of the entire company. Their skilled service technicians have each and every option available to handle and finance your forklift fleet. The strategically located dealer network offers clients excellent flexibility and customer service.

Provided by Yale is a whole line of top quality parts, equipment and services together with: gas, electric, LP-gas and diesel powered lift trucks, narrow aisle and power-driven hand trucks. Yale is a number one supplier of training, parts financing and complete Fleet Management services too. With over 80 years within the material handling business, Yale is devoted to offering all their buyer's with a custom solution for all their requirements.

Additionally, Yale trucks are made in an ISO9001:2000 certified plant and range in capacity beginning from 2,000 lbs to thirty six thousand lbs. Their skilled staff combined with the support of all of their vendor community makes certain shipment of a great product every time.
